

The city of Philadelphia, Pennsylvania compiled and issued an annual City Directory from the late 1700's until 1936. The following list of names are all the Fizell's I found. The list was then sorted by the individual for the length of time he or she was listed, although the address and occupation may have changed. When it was obvious, the widow was listed at the same address. The US Census records will assist identifying the individual Fizell families. I have researched the US Census records and made lists of all the Fizel, Fizell, Fizelle, Fizzel, and Fizzell households I could locate. View them as I add them to the Fizell.org web site.

If you wish to add your Fizell (any spelling will do) information to Fizell.org, please contact me. This site is free and is for the enjoyment of all our families, related or not. We do not publish dates or facts for living persons, and if requested, will also refrain from listing the names of living persons. This is your site.
